This Service Agreement is the entire agreement between You and Acunetix relating to the Service and Support (if any) and it supersedes all prior or contemporaneous oral or written communications, proposals and representations with respect to the Service or any other subject matter covered by this Service Agreement. To the extent that the terms of any Acunetix terms and conditions, policies or programs for Support conflict with the terms of this Service Agreement, the terms of this Service Agreement shall prevail.

In addition, the terms set out in this Service Agreement shall prevail and control over any and all additional or conflicting terms or provisions contained in any document of Yours, whether set out in a purchase order or alternative agreement, and any and all such additional or conflicting terms shall be void and shall have no effect.

If this Service Agreement is translated into a language other than English and there are conflicts between the translations, the English version shall prevail and control.

This Service Agreement:

- (i) May not be assigned by You. Any purported assignment will be null and void;

- (iv) Is for the sole benefit of Acunetix and You and nothing herein, express or implied, is intended to or shall confer upon any other person or entity any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Service Agreement.

19. Severability

If any part of any provision of this Service Agreement is found to be illegal, invalid or unenforceable, that provision shall apply with the minimum modification necessary to make it legal, valid and enforceable, and all other terms shall remain in force. Paragraph headings are for convenience and shall have no effect or interpretation.

20. US Government End Users

If the Subscriber is obtaining the Service on behalf of any part of the US Government, the Service and any documentation pertaining thereto shall be deemed a 'commercial item', as that term is defined in 48 C.F.R. 2.101 (Oct. 1995), consisting of 'commercial computer software' and 'commercial computer software documentation', as such terms are used in 48 C.F.R. 12.212 (Sept. 1995). 23. No Waiver or Delay

The delay or failure of Acunetix to exercise any right provided in this agreement shall not be deemed a waiver of such right. Any express waiver, delay or failure by Acunetix to exercise promptly any right under this agreement due to it will not create a continuing waiver or any expectation of non-enforcement.
